Format for the Day

Welcome to our Charity golf day and we hope you have a great day. Here are a few notes on the format for the day.

Starting - We will be teeing off at 1:45pm, with a 'shotgun' start, with teams walking out to their assigned starting holes and starting at the signal of a car horn.

Playing Format – Teams of 3/4 players in a stableford competition, with all players getting their full handicap and the best two scores counting on each hole. However, on every par three and the hardest hole on the course (10th), all players scores will count.

There will also be a Golden Ball for each team, which will be played by each player in succession and in place of their normal playing ball. In this way each player should play at least 4 holes with the Golden ball and the score for the Golden ball will be double the normal stableford points score. However, if you lose the Golden ball it cannot be replaced and players revert to playing their normal ball.

Competitions – There will be prizes for the following;

- Best Team & second placed team
- Best individual score
- Longest drive – 4th hole
- Nearest pin – 13th hole
- Hole-in-one prizes (ranging from a Mini cooper to a weekend break)

A Little Help – Each player will be offered the chance to buy a 'Mulligan' which will give them the chance to retake a shot. £5 each, maximum of 3 mulligans per player.

Other Things – Just a few notes on other aspects of the day;

- Registration will be from 11.30am
- A buffet lunch available before you tee-off from 12pm
- There will be a dinner and prize ceremony starting approx 7.30pm
- There will be a raffle with a range of prizes

Business in Gloucestershire Golf Society

We are launching a golf society with the aim of playing some golf and getting to know other people in business in the county. Our first outing will be on Tuesday July 14th at Brickhampton Golf Course. Each event will also aim to raise money for a nominated charity. If you are interested please contact Paul Mourton, Ian Eggleton or Richard Perry.
