

Guys,

Here are the details for the next evening networking session. We're hosting it at Ingleside House, which is a new meeting and conference facility next door to the office. Please can you circulate to the usual mailing lists?

Cheers

### **Gloucestershire @ Six – 22<sup>nd</sup> June 2009**

This month's Gloucestershire@Six networking event is hosted by BJC Europe in association with Ingleside House at Ingleside House, 5 Beeches Road, Cirencester. GL7 1BN. This is located next to the BJC Europe office in Beeches Road.

The event will take place at 6pm on Monday 22<sup>nd</sup> June and is free to both members and guests of the IOD. Details of where to find both BJC Europe and Ingleside House can be found on the BJC Europe website at [www.bjc-europe.com](http://www.bjc-europe.com)

The evening will be a chance to hear from Benita Sutton-Cegarra the Chairman of the Gloucestershire IoD and Managing Director of BJC Europe, as well as an opportunity to visit the excellent facilities at Ingleside House and speak to the directors. There will also be a chance to network informally with other IOD members and their guests.

### **About Ingleside House**

Formerly Ingleside School, Ingleside House is a brand-new events and conference centre with state-of-the-art technology. Located in the heart of Cirencester, Ingleside House offers bespoke events and conference facilities. The house has been fully refurbished to the highest standard and offers laptop and video projection, recording and playback, as well as a small cinema. Further information can be found on the website [www.inglesidecirencester.com](http://www.inglesidecirencester.com)

### **About BJC Europe**

BJC Europe is a recognised expert in managing business transformation. We are pragmatic and practical and believe the only way to successfully transform a business is to get the business' own people actively involved in transformation. We provide clients with the experience, resource and expertise necessary to enable shorter time scales to deliver your key business objectives; leveraging of your best people; repeatability and scalability and capitalisation on "quick wins". For more information, visit the website [www.bjc-europe.com](http://www.bjc-europe.com)

### **To Book**

Please either email Richard Perry by reply to this email or login to the IOD website and register at [www.iod.co.uk/southwest/](http://www.iod.co.uk/southwest/)
