

Dear IOD Member / Guest

I am please to inform you of our next Gloucestershire @ Six event, which will take place at The Clydesdale Bank, Gloucester at 6pm on Monday 20th April and is open to both members and guests of the IOD and is a free event. Clydesdale Bank is located at Epsilon House, The Square, Gloucester Business Park, Brockworth, Gloucester

The evening will be a chance to hear about The Clydesdale and how their approach to business banking is different from the norm. There will be an opportunity to network informally with IOD members and other guests and get to see behind the scenes of another Gloucestershire based business.

Why is Clydesdale Bank different?

- * We are a bank that doesn't have customers - we have members.
- * We are a bank that doesn't have managers - we have partners.
- * We are a bank that unashamedly compares its relationship approach to that of banking 20 years ago but at today's pace and creativity.
- * We are a bank that offers an accessible local relationship - our doors are always open to our members offering free use of conference and meeting rooms throughout the UK.
- * We are a bank that offers rapid, local decisions on lending.
- * We are a bank with locally based specialists to help members at each stage of business development.
- * We are a bank who will introduce you to local contacts to help your business grow.

Hosting the event on behalf of the bank will be Trevor Forrester, Managing Partner, who will give a short introduction and talk about Clydesdale Bank for approx 10-15 mins. A light finger buffet and drinks will be available.

Please either book by return email to myself or via the IOD website www.iod.com/southwest
