

Dear IOD Member / Guest

I am pleased to inform you of our next [Gloucestershire@Six](#) event, which will take place at The Cotswold Care Hospice, near Stroud. The event will take place at 6pm on Monday 20<sup>th</sup> July and is free to both members and guests of the IOD and the hospice directions can be found at <http://www.cotswoldcare.org.uk/top4.php>

The evening will be a chance to hear from Peter Rowbottom, Head of Fundraising for the Hospice about how it operates and the various facilities and services offered in the palliative care of patients. There will also be a chance to network informally with other IOD members and their guests.

#### **About The Cotswold Care Hospice**

Hospice care is about helping people to live well throughout their illness from diagnosis onwards, and not just about care in the last days of life. Any potentially life-limiting illnesses can be catered for. Cotswold Care Hospice provides this support within a friendly and relaxed environment and extends this welcome to family members and carers as well as to the patients themselves. The Hospice team are on hand to provide individual care and advice on all aspects of living with a potentially life limiting illness. This may include managing difficult symptoms, psychological support and help for families. All Hospice staff have nationally accredited qualifications relevant to their roles and they are aided by dedicated and skilled volunteers who are very much part of our team.

#### **To Book**

Please either email Richard Perry by reply to this email or login to the IOD website and register at [www.iod.co.uk/southwest/](http://www.iod.co.uk/southwest/)
